Selectmen's Meeting

APRIL 8, 1986 - by VIRGINIA ARRAL

BUILDING INSPECTOR WILL CHECK HANG GLIDER LEGALITY

Mattapoisett Selectmen last Tuesday directed Building Inspector David Crook to investigate the allegation that a resident on Acushnet Road is assembling an Ultra-light hang glider airplane in a residential neighborhood.

A letter was read from Raymond J. Ferreira of 77 Acushnet Road, in which he stated Donald Garcia of 75 Acushnet Road was assembling this airplane and driving it without its wings all around the house.

"My neighbors, Mr. and Mrs. Kenneth Dawicki of 81 Acushnet Road, and I feel that this is a very dangerous situation to be allowed in a residential neighborhood. My concern is for my children but this problem could affect the safety of everyone in town."

Ferreira wrote: "I called the New Bedford Airport and spoke with Mr. Isidore Eisner. I explained the situation and he said that this in violation of FAA law. No one can take off or land on private property unless the property is a duly recognized air field. Mr. Eisner told me to call the abutters and inform them that they would be in violation of the law if they permitted Mr. Garcia to take off or land on their property.

Mr. Eisner then stated that these types of airplanes are so dangerous that he has banned them from the New Bedford Airport." Ferreira noted both Mr. Dawicki and Robert Sherman have refused to grant Mr. Garcia permission to use their properties for his plane.

Further, Mr. Eisner told Mr. Ferreira to contact the New Bedford Fire Prevention Bureau and the Mattapoisett town authorities of this problem. Ferreira said he spoke with Lt. Ted Mach of the Bureau and he informed him that the use of a house garage as an airplane hangar would be, in his opinion, in violation of Mass. General Laws, Chapter 148, Chapter 143 and the Uniform State Building Code. "Lt. Mach is a concerned Mattapoisett resident and he got this information so that you (the Selectmen) can understand the seriousness of this problem. Mr. Eisner also said that FAA permits may be needed to operate and maintain an airplane hangar but he doubted if this is safe in a residential neighborhood."

Additionally, Mr. Ferreira spoke with a friend who was in the Air Force Crash/Rescue Firefighter and he stated that if the propeller is not properly torqued down to the engine it can fly off in any direction for hundreds of yards, depending on engine RPMs.

In other business, Selectmen:

MET WITH TOWN COUNSEL Donald J. Fleming and the Building Inspector to discuss a proposal of George P. Randall to seek a permit to build a house on Randall Lane.

The inspector, David Crook, explained a plan drawn by Arthur Thompson of Marion showed a nine-acre plot of land as having a wagon-wheel sized way -- much too narrow for a road and insufficient frontage for a building permit. Crook said, as the plan stands now, "I would have to refuse a permit".

Atty. Fleming explained the Planning Board endorsed a Plan A. However, Fleming said he will meet with the Planning Board next week and explain the situation as seen by the building inspector and ask the Planning Board to rescind its endorsement. Selectman James Huntoon said he would not like to see one town board suing another town board and hoped it could be settled amicably.

WERE NOTIFIED by State Senator William Q. MacLean that John Hannon from the State Division of Waterways has awarded Keyes Association in Waltham the contract to do the engineering work and design work to make improvements to the Mattapoisett River dam for resolution of: periodic flooding at Route 6, salinization of water supply wells upstream of the dam, inadequate existing fish ladder; for the development of contract plans, specifications and cost estimates; for local, state and federal fee permit requirements and for the development of contract documentation for reconstruction of the dam.

Senator MacLean, who sponsored the bill in the State Senate for the work, noted $120,000 has been allocated for the project. Mr. Hannon estimated that construction of the new Route 6 dam will not begin until the end of 1987.

MET WITH Frank D. O'Neill, chairman of the Recreation Committee, who presented a letter in response to the persistent rumor that there is or will be a vacancy of recreation director's position. (At a previous meeting Selectmen received a letter from Joao Rodrigues applying for the director's position. This puzzled the Selectmen, as they had no knowledge of an opening.)

O'Neill's letter reads, in part: "Let me assure you we do not have now, nor do we expect to have in the near future, an opening for the position of Recreation Director. Barry Haskell has done an excellent job for us and I specifically asked him if he was unhappy with his job and also was he thinking of leaving. He said he had no intention

of leaving and he was not unhappy.

"I received a telephone call from Beverly Posiviata from the Personnel Board telling me I would be receiving a letter of application for the job of Recreation Director from Joao Rodrigues, the Athletic Director at ORR High School. Beverly asked me when the appointment was up and I explained, I really didn't know. I also explained to her we were not really looking for a new director because we were very happy with Mr. Haskell. Then, a few days later, Beverly again contacted me and told me I would be getting an application from John Shockro, also. By this time I had checked on Mr. Haskell's appointment and I explained to Beverly that Mr. Haskell is a town employee appointed by the Board of Selectmen. If she had any questions regarding his employment I suggested she contact you people directly (Selectmen). I have not heard any more on this subject and I presume it is business as usual."

RECEIVED AN UPDATE from the State Division of Capital Planning and Operations on work to be done regarding suicide prevention measures for detainees.

Mattapoisett will receive funds to pay for architect's drawings and specifications for the work that will be required to bring the facility into compliance with the new state regulations; all the materials needed and the labor costs. A $10 million grant has been designated to carry out the changes throughout the state.

Harold Roeder announces a slight change in transportation for our Barnum, Bailey and Ringling Bros. Circus trip to Providence. As he has been unable to secure a big bus for that day, we will use a school bus. This will reduce the total cost of the trip to $12.00. Please remember these times and dates: deadline for reservations and money, April 24th; trip on Saturday, May 24th; leaving St. Anthony's at 9:15 a.m.

We will shortly give you the details about our planned 4-day trip to the Finger Lakes in northern New York in late July or early

MATTAPOISETT COUNCIL ON AGING URGES DIRECT DEPOSIT FOR SOCIAL SECURITY AND SSI PAYMENTS

About one third of all recipients of Social Security and SSI have their checks sent directly to a bank or other financial institution. While most people say they do it for convenience, the Mattapoisett Council on Aging urges that elder citizens use direct deposit to avoid loss or theft of the payments. Anyone wishing to use the direct deposit service should contact his or her own bank to make the necessary arrangements.

The Faces of Rochester

PHOTO CONTEST

In honor of the three hundredth anniversary of the incorporation of Rochester, the Rochester Historical Society is sponsoring a Photo Contest, the theme of which is "The Faces of Rochester"--faces meaning natural, architectural or, or course, personal.

Time is running out, so hurry and dig out your favorite photos of people or places in Rochester and bring them to the Joseph Plumb Memorial Library. They must be matted or mounted and over five inches by seven inches.

Spelling Bee Winners

St. Anthony's Women's Guild sponsored its Annual Spelling Bee on Thursday evening, April 3rd, at Old Hammondtown School. The winner was Courtney Hohne, a fourth grader, who received a $50.00 Government Bond. The second prize was a new edition of Websters New World Thesaurus, received by Robert Reid, a sixth grader. Third prize, also a Thesaurus, went to a fifth grader, Scott Gamache.

Mary Flood, chairman of this event, was the announcer, assisted by Judges Helen Higgins and Liz Lynch, and Nancy Gauvin recording.

SPRING CLEAN-UP

The Mattapoisett Land Trust will conduct a clean-up of our waterfront property adjacent to the town wharf on Saturday, April 19th, at 9:00 a.m. We plan to do a general weeding, pruning, and pick-up of the area and to remove any remaining damage from Hurricane Gloria. We welcome anyone to work with us for the morning to meet the directors and learn more about the Land Trust. Coffee and juice will be available.

The property was donated to the Trust by Mrs. Willis Munro and was the first shipbuilding site in Mattapoisett. It is a great spot to view the harbor and contains many of the natural vegetation com-

PINEWOOD DERBY HELD

The Rochester Cub Scouts held their annual Pinewood Derby on March 9th. The boys really enjoyed competing with one another. The first place winner was Paul Chamberlain, second, Kenneth Cutler; third was Scott Orlowski, fourth was Kenneth Rea, fifth was Steven Faustino and sixth, Courtney Cook.

We wish to thank the judges and everyone who helped set up, clean up and make the Pinewood possible.

All these boys entered the Moby Dick Council race on March 22nd. The exciting part took place when Paul Chamberlain placed third over a hundred Cub Scouts. We wish to congratulate Paul!

ORR Presents Fashion Fever

SPRING FEVER; SPRING FASHIONS; "FASHION FEVER!" It's all here, bursting into life after the winter drabness. What better time to renew one's spirits, to renew one's outlook, and to renew one's wardrobe? All these thoughts come to mind in April, and one of the things to keep in mind for April is the Old Rochester Regional High School's presentation of "Fashion Fever", a fashion show sponsored by the Classes of 1986 and 1988.

Student models from both classes will show fashions by Panache, Babette, Mr. Tux, Chess King, and Delilah's. An added feature will be children's clothing by The Hay-Loft.

The date is Thursday, April 17th, and the time is 7 o'clock; the place is the Old Ro-

leader Kris Brammer. Debbie Stinson, program director, held a question and answer period and then demonstrated some of the equipment. The troop was then divided in half. One group went into the control room and watched on the numerous TVs while the other group performed a song in the studio. All the Brownies then sang the "Brownie Smile Song" which aired on Bay 8 later that evening. "The Choice is Yours" patch is designed to excite and educate girls on the many career opportunities open to them, and by the giggles and laughter we heard in the studio Brownie Troop 158 was certainly excited about being on TV.

This particular field trip fulfilled the requirement in the World of Today and Tomorrow. Members include: Katie Aleardi, Megan Aleardi, Sarah Arguin, Tara Best, Lizabeth Blouin, Farah Bowers, Shaundra Brammer, Sarah Chase, Katy Clark, Maureen DeCoffe, Stephanie Ferreira, Kerry Gaspar, Kate Muldoon, Heather LeClair, Kristen Throop, and Elizabeth Xavier.

Benjamin Cushing Post, VFW Auxiliary

Louise Gibbs, safety chairman for the Benjamin D. Cushing Ladies Auxiliary to Post 2425, presented a donation from the Auxiliary to the Marion Police Department in August of last year to be used for the purchase of four sets of dolls for the Rape Crisis Program.

In a follow-up program, on March 24th, at a regular meeting of the Ladies Auxiliary, Sergeant James Nolan and Laurie Plotner of the Marion Police Department, along with Priscilla Trudeau of the New Bedford Rape Project, gave a presentation and explanation centered around the dolls and the project.

As Counciling Coordinator of the New Bedford Project, Ms. Trudeau explained that the Project offers medical and legal advice counseling for anyone who has been involved in a rape, whether it be the victim or members of the family. She stated that rape occurs in 25% of the female population before the ages of 18, and in the male population the ratio is 1 in 6.

Sergeant Nolan explained the use of the dolls in the investigatory process, stating that the dolls bridge the gap for the child victim in relating the story to an adult.

Ms. Plotner then gave a description of the dolls which are made to resemble the human body in all aspects. She stated that the dolls are generally used for those children seven years of age and younger. There are two sets of dolls, one black, one white. Each set consists of two adults, male and female, and two children, male and female.

Nursing Mothers' Council

UPCOMING NURSING MOTHERS' PARENTS' FORUM

Parents face many important health issues in the first year of their child's life. Two major areas of concern are colic and vaccinations.

Dr. Joseph Costa will address these topics at the Nursing Mothers' Council's upcoming Parents' Forum April 30th, at 7:30 p.m. at St. Gabriel's Church, Marion.

Dr. Costa is a family practitioner in Mattapoisett. He will discuss how to detect if a child has colic and offer methods of managing it. He will also explore the vaccination controversy, focusing on the new H.I.B. vaccination - better known as the "menengitis vaccination". A question and answer period about these topics and others of concern to parents will follow.

Nursing Mothers' Council is a group of women specially trained in the field of breastfeeding and counseling. They are available 24 hours a day for support for the nursing mother. In addition to tele-

QUILTING BEE-"HAVE A HEART"

1986 has been proclaimed the "Year of the Elementary School" by U.S. Secretary of Education William Bennett. The elementary school children of Mattapoisett are going to pour their hearts and souls into creating a quilt which upon completion will be donated to the Mattapoisett Parent-Teachers' Club "Festival of Fun" raffle.

A workshop has been scheduled entitled "Have a Heart" on Tuesday, April 22nd, from 12:30 to 3:30 p.m. at Old Hammondtown School Cafeteria.

Donations of calico or small print cotton/poly cloth (50/50 approx.), 4" x 4" or larger, any white, pastel or solid colored cloth, quilting hoops, embroidery thread, or quilt batting would be heaven sent. Materials can be dropped off at the school offices in the sewing baskets provided.

Mrs. Ruth Bates, the coordinator of this project, and the children would deeply appreciate any adult or young adult that is willing to volunteer to help in this

REPORT CARDS ISSUED THIS FRIDAY

Robert C. Gardner, Principal of Old Rochester Regional Junior High School, has announced that report cards will be issued to junior high school students Friday, April 18th, for the third quarter.

Prevention of Child Abuse

How would you know if your child or a child you know was being abused?

What would you say to him or her?

How would you help a child who had been physically, emotionally or sexually abused?

How can you educate your child on the subject of child abuse?

April is Prevention of Child Abuse Month. In recognition of this, Katherine L, Kozicki, Principal, Mary Demers, R.N., and the staff of Center School invite all parents and interested persons to attend an information night to learn answers to the above

Manhattan '86

ADVANCE SALES UP
BISHOP STANG'S MANHATTAN '86

As the opening of Bishop Stang's Manhattan nears (April 18), Dick and Jeanne Greenhalgh have acknowledged that advance ticket sales are far ahead of last year's figures. The response to this year's Manhattan, disregarding the fact that no liquor will be sold, has been overwhelming. The phones have been ringing off the hook and the area ticket outlets are being swamped, Mr. Greenhalgh said. He also hinted that it would be fabulous to sell Manhattan out in advance -- something which has never been seen since its inception six years ago.

Some confusion has surfaced, however, with respect to the Guaranteed Seating and Show Packages. Show Packages are not available in advance. They can only be exchanged for an Admission Ticket the night of the performances. At that time, ticket holders will be able to select one of five show packages. The listing of show packages has been made available to the public through the print media and hopefully everyone will have already decided which show package they prefer before entering Manhattan. This will expedite the exchange. Also, it would be good for everyone to have a second and third choice, as it only stands to reason that everyone cannot have the same show package. Additionally, limited general seating is available in all but two of the show rooms. This makes it possible for some to take in shows which are not included in their show

NEW LISTING

This 7 room Gambrel could easily be featured in the pages of Colonial Homes magazine. Less than a year old and built by a well-known builder, the quality and perfection are apparent.

Williamsburg colors, fireplaced living room, dining room with atrium-style doors to the porch, custom kitchen with wood beams, 3 bedrooms and 2 1/2 baths are features.

The family room is outstanding with cathedral ceiling, skylights and a hot tub! Wood floors throughout and beautifully finished woodwork give this home a warm and inviting charm.

Nestled among the pines on a secluded lot, there is privacy without isolation, in an area of new homes.

Exclusive listing $237,500.

Manhattan consists of four evenings, April 18 and 19, and 25 and 26 of live professional entertainment -- recruited from all over New England -- performing in a nightclub atmosphere in the school classrooms. Room Chairpersons and their workers prepare extensive decorations in their rooms to provide this atmosphere. American, French, Polish, Chinese, Mexican, Portuguese and German delicacies are offered. Most of these ethnic foods are home-cooked. Other food offerings include fish & chips, deli sandwiches, corned beef sandwiches, pizza, chili, pastries which will make your mouth water and lots, lots more. This year's Silent Auction promises to be the best yet. You will be amazed at the beautiful items which we have to offer.

Over 800 parents and friends of the Bishop Stang community volunteer their time towards the success of Manhattan.

SMU Theatre Company

PRESENTS "THE PAJAMA GAME"

A chorus of forty dancers and singers promise light-hearted entertainment for all as the Southeastern Massachusetts University Theatre Company presents "The Pajama Game" Thursday through Sunday, May 1-4. Under the direction of Angus Bailey, curtain time for all performances will be 8 p.m. in the main auditorium of the Campus Center.

"The Pajama Game" by Richard Adler and Jerry Ross is a story of love and labor. It deals with the unionizing of a pajama factory and the relationship between a pro-union worker and her anti-union boyfriend/boss. Its score boasts such popular songs as "Hey There", "There Once Was A Man", "Steam Heat", "Hernando's Hideaway", and the title song.

Members of the cast include: Gail M. Phaneuf, David P. Vincent, Samuel Belanger, Patricia Wright, Terrence M. Moriarty, Ron Downing, Patti Hathaway, Angela Simms, Ray Shaffer, Ruth Waite, Kim Ryan, Michael

"Emperor's New Clothes"

On Saturday, April 19th, the Zeiterion Theatre presents the musical production of THE EMPEROR'S NEW CLOTHES, live on stage for two performances, at 10:30 a.m. and 12:30 p.m. Performed by Kaleidoscope Theatre of Providence, THE EMPEROR'S NEW CLOTHES is the final presentation of the Zeiterion's 1985-86 Saturday Youth Theatre Festival. Tickets are priced at $3.50 and may be purchased by calling the Zeiterion box office at 994-2900.

This original musical adaptation of the delightful Hans Christian Andersen fairy-tale is by David G. Payton of Providence, and is an audience participation show for the entire family. The story deals with an Emperor who is obsessed with clothes and the two tailors who outsmart him by making him an invisible set of clothing for his procession. Several members of the audience join in the merriment with one youngster becoming the star of the show and saving the tailors from the wrath of the Emperor.

Kaleidoscope Theatre is a nationally recognized professional touring theatre company. Founded in 1977, the troupe has performed from Maine to Texas and has been featured at two National Conventions. Lauded for their performances of famous

April is Cancer Month

CRUSADE THEME IS DIET AND CANCER

More than 80,000 American Cancer Society volunteers across Massachusetts will bring information about cancer risk reduction and diet to their neighbors on Tuesday, April 29th, during the Society's 1986 educational and fund-raising Cancer Crusade.

The annual April residential Crusade is the culmination of statewide Cancer Control Month activities. Crusaders will visit nearly one million households in Massachusetts in an effort to raise $600,000 for the American Cancer Society's programs of research, education, and service to cancer patients. The overall Massachusetts goal for the 1986 Cancer Crusade is $5.25 million.

According to Sumner M. Redstone, State Crusade Chairman for the American Cancer Society's Massachusetts Division, the volunteers will offer their neighbors tips on how diet can reduce the risk of developing some cancers. Nationwide, more than 1.4 million Crusade volunteers will bring information on diet and cancer to an estimated 73 million Americans.

"Crusaders will distribute a leaflet that contains the American Cancer Society's recommendations about diet and nutrition," Mr. Redstone said, "along with a postcard that residents may return for free coupons, vegetable seeds, and recipes that follow the dietary guidelines."

While a healthy diet is not guaranteed to prevent cancer, studies have shown that people who follow the Cancer Society's nutritional recommendations on a regular basis are at lower risk for developing cancers of the breast, colon, prostate,

and uterus. More than 11,000 Massachusetts residents will be diagnosed as having these types of cancers in 1986.

"We make decisions about our diets every day," Mr. Redstone said. "Our Crusade volunteers play a critical role in bringing potentially lifesaving information about the role of nutrition in cancer prevention to their neighbors. Not only are our tips easy to put into practice, but the coupon and recipes can make it fun for the whole family to eat wisely."

The American Cancer Society's guidelines are:

1. Avoid obesity.
2. Cut down on total fat intake.
3. Eat more high fiber foods.
4. Include foods rich in vitamins A and C in your daily diet.
5. Include cruciferous vegetables in your diet, such as broccoli, cabbage, cauliflower, and brussells sprouts.
6. Keep alcohol consumption moderate, if you drink.
7. Eat salt-cured foods in moderation.

Zeiterion Concert Series

CHAMBER ENSEMBLE "TASHI" IN CONCERT

Every chamber music lover should known one Tibetan word. TASHI not only means "good fortune", but is also the name of one of today's most popular chamber ensembles. TASHI, clarinet and strings, will be performing at the Zeiterion Theatre in downtown New Bedford on Saturday, April 19th, at 8:00 p.m. Their performance will conclude the theatre's 1985-86 AT&T Greater New Bedford Concert Series. Tickets are priced from $9.00 to $13.00 and may be purchased by calling the box office at 994-2900.

TASHI has been hailed for its unusual programs and joyous performances as an ensemble of four, with guest artists, and in programs for clarinet and string quartet. While most chamber groups seem to specialize in either traditional or contemporary repertoire, one of the hallmarks of TASHI's success has been its ability to perform works from all periods as though the music were being played at the instant of composition.

The founding members of TASHI - clarinetist Richard Stoltzman, violinist Ida Kavafian and cellist Fred Sherry -- will be joined by violinist Theodore Arm and violist Steven Tenenbom for their Zeiterion concert. While each has received critical acclaim world-wide, Stoltzman has achieved unparalleled success for his virtuosity, musicianship and sheer personal magnetism establishing him as the premiere clarinetist in the world today.

Stoltzman, in 1982, was the first clarinetist ever to be presented in recital at Carnegie Hall. Last month, he was the first wind player ever to win the prestigious Avery Fisher Prize. He joins with pianists Emanuel Ax, Richard Goode, Horacio Gutierrez and Murray Perahia; violinist Elman Oliveira; and cellists Lynn Harrell and Yo-Yo Ma as the only recipients of this special award given for "outstanding achievement and excellence in music".

TASHI continued this unique and musical approach to chamber music with a very innovative program. With no formal program printed, each piece will be announced from the stage. This affords their audience the marvelous opportunity of a more intimate musical setting. Mozart's Clarinet Quintet in A Major and Brahms' Clarinet Quintet in B Minor are among a dozen works TASHI will select their program from.

The New Bedford Glass Museum and Artsmarket Consulting are pleased to announce Planning for Growth, a full-day workshop on strategic planning for museums, historical societies and art associations Monday, May 5th, from 10:00 a.m. to 4:30 p.m.

Is your organization ready for growth? Is this the time to embark on a long-range planning project?

Planning for Growth is for you if:

.You are identifying goals and mission for the future.

.You are searching for a planning process that can involve everyone in your organization, including staff, board, and membership.

.You are thinking of expanding, renovating, or redesigning your facility.

.You are considering a capital campaign.

.You are gathering market research on your community and attendees to support your plans.

.You are faced with budgeting for growth.

Planning for Growth will provide tested, workable answers and direction for your organization. In the full day seminar led by ArtsMarket President Louise K. Stevens you will learn a step-by-step process for

Nursing Lectureship

The Rachel Penti Annual Lectureship is held each year during National Nurses Week. The Lectureship was named in honor of Rachel Penti of Carver, a former Nursing Director at Tobey Hospital, Inc. and past president of the Cape & Islands Area Nursing Education Committee (CIANEC). Mrs. Penti, recognized for her contribution to professional nursing, was instrumental in formalizing the organization which provides educational programs for nurses.

This year's presentation will be held on National Nurses Day, May 6th, at the Arts Center, Cape Cod Community College, West Barnstable, from 4 to 6 p.m. Guest speaker for the program, The Year 2000: The Future of Nursing, will be Leah Curtin, M.S., M.A., R.N., F.A.A.N., Editor of Nursing Management.

"Rare Air"

An evening of unique Celtic music by RARE AIR will be held at 8 p.m. Tuesday, April 22nd, in the Rathskeller at Southeastern Massachusetts University. Their performance is being sponsored by SMU Eisteddfod Concerts.

The unorthodox Canadian group's music has been called Pipe-Roch, Celtic-Funk, Heavy-Wood and much more. In 1977 RARE AIR received honors in pipeband music in Scotland, and having worked in Brittany is one of the few groups in North America to play authentic Breton instruments and music.

Members of the group are Patrick O'Gorman, Grier Coppins, Dick Murai and Trevor Ferrier. Creating original music from traditional sources, they play a dozen rare instruments, fusing the appeal of bagpipes with many new textures to create a highly individual sound.

Tickets are $4. for the general public, $2. for senior citizens and SMU students, staff and alumni, and may be purchased at the door of the Rathskeller the evening of the performance. For information call the Eisteddfod office, 999-8166. Parking for the concert will be at lots 4 and 5.

S.M.U. Chamber Orchestra

Arias and opera scenes by the SMU Opera Workshop will be among the highlights of a concert to be given Wednesday, April 23rd, by the Southeastern Massachusetts University Chamber Orchestra. The program, which will begin at 8 p.m. in the main auditorium of the Campus Center, will be under the direction of Prof. Josef Cobert, founder and director of the chamber orchestra.

director -- scenes from "La Traviata", "The Barber of Seville", "The Marriage of Figaro" and an aria from Tschaikovsky's "Eugen Onegin" will be presented. Also on the program will be Mozart's Overture to "Don Giovanni" and "Symphony No. 4 in A Major Opus 90" (Italian) by Bartholdy-Mendelssohn.

Jacqueline Bazinet Cobert has been acclaimed by critics for concert and opera performances as leading soprano throughout the United States and Europe, including recitals at Carnegie Hall, and Jordan, Symphony and Town Halls. She has performed with leading symphony orchestras, including the Boston Symphony and the Pasdeloup Symphony. Mme. Cobert is currently on the voice faculty at SMU.

The SMU Chamber Orchestra is comprised of over 30 instrumentalists, including SMU students and faculty as well as professional musicians. Earlier this year the orchestra presented a children's concert at New Bedford's Carney Academy, and, for the community, Mozart and Beethoven concerts, including an original work by SMU Prof. Robert Train Adams. In May the orchestra will perform at the Ashley School in New Bedford.

General admission is $2.50; admission is free for SMU students with an ID. Tickets may be purchased at the door or by calling 999-8568.

tours of the Pilgrim Village for the hearing impaired on April 27th. The tours are two hours long, and begin at noon and again at 2:00 p.m. Visitors will discover the life-style of 17th century Plymouth and see men, women and children who portray early residents of the colony.

Plimoth Plantation is the outdoor living history museum of 17th century Plymouth. Its exhibits include a full scale replica of the Mayflower docked at State Pier in Plymouth and the 1627 Pilgrim Village on Warren Avenue, 3 miles south of Plymouth center. The Wampanoag Summer Campsite, located near the Village, opens May 1st.

Plimoth Plantation is open every day from 9:00 a.m. to 5:00 p.m. Admission to the Pilgrim Village and Wampanoag Campsite is $6.25 for adults, $3.75 for children ages 5 through 12. Admission to the Mayflower II is $3.00 for adults, $2.00 for children. A combination ticket is available at $8.25 for adults, $5.25 for children. Children under five are always admitted free.

Sign language tours will be offered again on September 14th. For additional information call Plimoth Plantation at 746-1622, voice or TTY.

Summer Youth Jobs

750 JOBS AVAILABLE TO YOUTH FOR SUMMER

The Office for Job Partnerships in New Bedford expects to hire 750 economically disadvantaged youths from the area with 1.6 million summer employment and training funds.

As many as 200 of the youth will work with area businesses. The program promotes work experience supplemented with related occupational academics.

The program is open to youth 14 to 21 years of age whose family income falls below federal poverty guidelines and will employ a total of 1,000 youth from the New Bedford area, Cape Cod and Islands.

The Office for Job Partnerships' goal for youth is to make youth employable by increasing labor market awareness, increasing academic skills, and developing work maturity skills.

Youth may obtain applications at area high school guidance offices, any Division of Employment Security Office or the Office for Job Partnerships, 181 Hillman Street, New Bedford.

The youth will work for a seven week period beginning July 7th.

There are three classifications of job options available to youth. Class I jobs are primarily in the private sector and some non-profit agencies. These jobs require that youth be 16 years of age, work 25 hours per week and participate in 5 hours of related academics at $3.95 per hour. Class II jobs

"MY MOMMY SAID NOT TO PUT BEANS IN MY EARS"

"My Mommy Said Not to Put Beans in My Ears", a collection of silly songs, rhyming songs, and activity songs for children in grades K-4, will be presented by Ann Shapiro on Sunday, April 20th, at 2:00 p.m. at the Children's Museum in Dartmouth.

Ann's one-woman show includes a wide variety of folk instruments (guitar, banjo, bodhran, penny whistle, Celtic harp, tremeloa, ukulele and assorted rhythm instruments), masks, humorous tales, and lots of audience participation. Her material spans many cultures and periods of history but is delivered with a contemporary and original flavor. Because of the participatory nature of her shows, the audiences have a better understanding of folk songs and the times and places they describe.

Admission to the show, which includes museum admission, is members (children and adults), $1.00 each; non-members, adults $2.00, and children $1.50. For further information please call the Museum at 993-3361. The Children's Museum is located at 276 Gulf Road in South Dartmouth. The Museum is open from 10 to 5 Tuesday through Saturday and from 1 to 5 on Sunday.

Tobey Hospital

MAKES HOUSE CALLS

Patients who are unable to travel to the hospital to have their blood drawn are being visited at home by Tobey Hospital Laboratory phlebotomists/technologists. Hospital President Charles S. Kinney is pleased to announce the expansion of the Laboratory services which offers house calls in addition to the off-site laboratory the Hospital provides for the convenience of patients at the Wareham Professional Building on Marion Road in Wareham.

According to Laboratory Manager Russell Moore, "The house call program benefits patients who are bed-ridden, confined to a wheelchair, or incapacitated in such a way that it is ill-advised for them to venture beyond the confines of their home." The Laboratory began making house calls in December 1985, with twenty-two patients visited that month. The number of patients utilizing the service has steadily increased, with approximately sixty homes visited in March.

Patients incur no additional cost for the house call. The charge is the same as Hospital outpatient laboratory fees and is covered by most insurance plans. Tobey Laboratory staff makes house calls on Mondays, Wednesdays, and Fridays on physician order and by appointment.

Patients who qualify may contact their private physician to request the service.

Tobey Hospital

LOCAL STUDENTS LEARN ABOUT HOSPITALIZATION

"Children's Health - Our Best Investment" was the theme of Children and Hospitals Week observed nationally March 23-29. Tobey Hospital staff visited first and second graders at the Sippican School in Marion and the Memorial School in Rochester to acquaint youngsters with hospitalization.

"Tobey Teddy" was the star of a puppet show orchestrated by members of the nursing staff. Teddy falls off his bike, goes to the hospital, and stays overnight after having x-rays, blood drawn, and a cast put on. Teddy learns about the nurse call bell, visiting hours, food and medication, television and telephone use while hospitalized.

Radiology staff showed actual x-ray films and demonstrated the use of lead aprons and mitts. Laboratory staff showed laboratory slides on a microscope and demonstrated blood drawing on a plastic arm. Respiratory staff demonstrated inhalation therapy procedures and assisted students in trying an incentive spirometer. A mist tent was also set up and explained. Rehabilitation staff brought walkers, canes, and splints for the children to use with direct super-

vision.

At the Hospital, children admitted during the week received a bookmark and sticker. The dietary staff displayed an elaborate dollhouse in the cafeteria with good nutrition tips and handouts about the food groups and healthy snacking. In addition, a third grade class toured the hospital.

According to Pediatric Nurse Manager Maureen Magrath-Quaranto, R.N., "Helping children deal with stress and fears of hospitalization is a year-round effort to which we at Tobey Hospital are committed."

Thornton W. Burgess Society

TEACHING INTERNSHIPS

The Green Briar Nature Center in East Sandwich (operated by the Thornton W. Burgess Society) seeks applicants for teaching internships for the spring/summer of 1986. The interns will gain experience by observing, assisting and teaching environmental education classes in area schools with the Green Briar staff, or in the Burgess Society's public programs and special events for children and adults. The intern will help develop new programs, exhibits and trails. The internship may vary from eight to twelve weeks in duration and may begin anytime before July 1. A stipend of $300. for a 12-week internship will be pro-rated for internships of shorter duration. Housing may be available.

Applicants should have completed at least
